

NEW PRODUCT ANNOUNCEMENT

IRISYS have pleasure in announcing the new IRI 4010R.

The IRI 4010R is identical in features to the standard IRI 4010 but re-housed in a Royal Blue enclosure.

We have a limited number of imagers that have been assigned as demonstration units, these are fully featured imagers, please let me know if you wish to purchase demonstrators – these will be allocated on a first come first served basis – if you are interested please let me know how many you wish to purchase & I will respond with a price and delivery.

Please note that for all future orders if you want Royal Blue you must order IRI 4010 R – if you order IRI 4010 we will ship in the standard colours.
